

Dear Bill,

Just wanted to  
Thank you for helping  
us make our dream  
house become a reality.  
You're not only our  
builder, you've become  
a friend this past year.  
You've helped us alot  
& we won't forget how  
you were willing to  
do whatever it took  
to help us get in this

house & would like  
to return the favor  
should you ever need  
anything. Stop in &  
see us anytime.

*Thank you.*

Thanks Again,

Mike & Bonnie  
Simmons
